

Blue Book Committee Report – March 2018

Our Blue Book Committee met twice last month.

We have read and reviewed the 19 Scottish and 27 Australian stories and are now in the selection process. We are attempting to include stories that pertain to all types of gambling addiction (e.g. machines, horse-racing, cards, etc.), and be as inclusive as possible with regard to age, gender and life style.

Discussions for book arrangement are on our agenda for April 2018. We are still trying to meet three times per month and more if we feel additional meetings are necessary.

It is still the hope of the Blue Book Committee to have a finished product ready for submission for Merit Vote at the Fall 2018 BOT meeting.

Sincerely,

Arlene R/Blue Book Committee Chair
