COMMITTEE REPORT – FEBRUARY 2018

In the last month, the committee was active through exchange of emails and telephone calls between members.

We received additional information from the Orlando Fall 2017 International conference committee, which allowed us to update the Past Conferences database on the trustee website. To see the global results, go on the trustee website and then get to the committee's section. Once there, click again on Conference Oversight committee and you will be able to see all our attachments, including the Past Conferences database.

Unfortunately, we have not yet received documentation from any Area wishing to present a bid in Cancun for a future International conference. However, we answered two requests for information received by email and we know of at least one area working on preparing a bid for the Fall 2019 conference. More to come on this.
