

Pressure Relief Monthly Report

November 26, 2017 Area 17 Chair John R.

I have been in touch with the members of my committee and I can report that they are all doing Pressure Relief work. I have been doing some PR work by phone from California to Maine and Canada. I plan on attending meetings in New York, Maine and Rhode Island to work with Their PR givers. I have been working with 6 couples and 7 single members. Some by E-mail. I urge anyone who has questions to E-mail me at [Jricci1939@aol.com](mailto:Jricci1939@aol.com) or Phone 1-860-501-3083.
