

US Prison Committee: November 2018 Committee Report

Committee Chair: Craig F. Area 13B

BOT Chair Liaison: Mitch L

November 29, 2018

Previous Committee Information: As of today, I have not received any information from the previous committee chair. I have been in contact with Andy R and other members in order to retrieve this information. The last committee report was submitted in November of 2017. I have also reached out to previous committee members to see if they have any information for me to start with.

Literature Requests: I have been in contact with Karen H and the ISO is going to be sending me all literature/information requests for the 2018 Calendar Year.

Service Opportunities: If you are interested in joining this committee, please feel free to contact me. Once I begin to collect information, I will pass it along to the committee members.

The goals of this committee will be reassessed depending on how much information we can obtain. I believe we should have a complete list of active prison meetings as well as active participants in the pen pal program.

To all US Trustees: If you have a prison committee in your area's Intergroup or know of active prison meetings in your area, please send me a quick message with the information of that meeting so we can start compiling information. If you (or someone in your area) is a Pen Pal, please also let me know. Not only would I like to document that information, I would personally like to hear how that is going and if this committee can be of assistance.

Happy Holidays to all my Brothers and Sisters!
