

Spanish Literature Committee Report December 2018

Our Spanish Literature Committee has completed translating and updating three "Approved GA Pamphlets". I have completed the inspection and final revision of these documents and have delivered them to Karen H. so that she can download them to her computer, review them and print these pamphlets to sell at the ISO online store.

The Word doc names of the pamphlets mentioned above are shown below:

- 1) Suggestions for improving new member retention (Sugerencias Para la Retencion del Nuevo Miembro),
- 2) Suggestions for dealing with urges to gamble (Sugerencias Ante Los Intensos Impulsos Para Jugar)
- 3) Your First Meeting (Tu Primera Reunion).

Our current focus is the translation and updating of two other "Approved GA Pamphlets". These are:

- 1) RSO Guidelines
- 2) Unity Steps – Work Study Book
