Trustee Website Committee Monthly Report – January 2018

The feedback so far on the new Trustee Website has been favorable and the site is functioning well. We have had a couple of recommendations for modifying the agenda submission fields and they are now under consideration. Mike R. needed to help a few people find some things on the new site, but he quickly jumped in and helped them find what they needed.

The committee reviewed a new replacement website for the San Diego Intergroup utilizing the Local Website Guidelines. This effort was led by Mitch L. The committee is reviewing the current guidelines and may submit an agenda item to discuss possible changes for Cancun.

The final Ontario Trustee Minutes were sent out in January and as a result the reference documents (Guidance Code, By-Laws and Rules and Procedures) are being updated to reflect the changes from the Ontario Trustee Meeting.

We are always looking to add new committee members with WordPress and/or web experience, strategy or development. Members need not be a Trustee, but must have two years in recovery. If you know a member who is interested, please ask them to contact me at the email address listed above in this update.
