Trustee Website Committee Monthly Report – February 2018

One of the responsibilities of this committee is to review the local area websites for compliance. Mike R. pulled together a spreadsheet of all of the local area websites for a future review of each site using the Local Area Website Guidelines. So far, we discovered there are 39 sites in the U.S. and internationally. The committee will divide the list of sites and review each site individually between Cancun and the Fall Trustee Meeting.

Much of the focus this month has been accepting and posting items to the Rolling Agenda for Cancun. The new Trustee Website worked flawlessly and it appears that the Trustees were able to easily adapt to the new site. There is a lot of work still in front of us to update and create the downloadable documents and absentee ballot for the Cancun meeting.

If you or anyone you know is interested in joining this committee please contact me. Members need not be a Trustee, but must have two years in recovery. If you know a member who is interested, please ask them to contact me at the email address listed above in this update.
