### Trustee Website Committee Monthly Report – March 2018

The month of March kept the committee busy working on preparing and posting items to the Trustee Website for the upcoming Cancun Trustee Meeting. Mike R. did a fantastic job once again keeping up with all of the rolling agenda items that were submitted along with coordinating the submissions with Andy R. for approval and acceptance.

Once the agenda closed, Andy organized and ordered the agenda items in record time which gave Mike and I ample time to create both the formatted meeting agenda and absentee ballot. This time, we were required to pay a small fee of \$19 to use the software for developing the absentee ballot, a small price to pay for a great tool that worked well for us in Ontario. Mike and I also updated all of the resource documents on the site and for downloading in preparation for Cancun.

We seem to be receiving more contacts to the website administrator since launching the new site most likely because it is easier to find it on the site. The questions range from local members on process, posting announcements on the site, and one area is interested in starting a local blog for its members.

I will not be attending the Cancun meeting and Mike R. will be presenting the committee report.
