Website Committee Monthly Report – May 2018

Not much has occurred with the committee since Cancun. Chair, Mike R. was ill and failed to schedule a committee meeting.

The Trustee Website has been updated to reflect The Fall 2018 Trustee Meeting in Orlando, FL. The flyer has been posted to the site and there has already been a submission to the new rolling agenda.

The rolling agenda will be updated with items needing second vote once the minutes are sent from Karen H. The Rules and Procedures, and other changes will be made at the same time.

The committee has some goals for the next few months.

- 1) Create a structure to allow committee members to update certain areas of the site and share in the responsibility for updates.
- 2) Review the checklist for local area website guidelines for updates/changes.
- 3) Review local area websites to ensure compliance with Guidance code and other guidelines.
- 4) Implement new features to the Trustee Website to allow for better communication to Trustees

Respectfully Submitted,

Mike R., Chair – Area 6A
