

Fourth Step Inventory Revision Committee Report

Fall 2022 BOT Meeting

The mission of the Fourth Step Inventory Revision Committee is to review, revise, and rewrite the Gamblers Anonymous publication "A Guide to Fourth Step Inventory" to create a more robust and effective tool of recovery for the fellowship of Gamblers Anonymous that addresses both moral and financial inventories.

We frame the inventory in categories of "Resentments", "Fears", and "Harms".

We are careful to use inclusive language and to honor different life experiences.

The committee meets every other week. We use a screen-sharing platform that allows us to write and edit in real time. The committee is currently working on the section of the inventory that deals with fears. Following this section, we will turn our attention to harms. We find that our effectiveness in writing is best when we work for an hour to an hour and a half.

As we make our way through writing this process, we try to write for the member who has not practiced this step before.

We are open to accepting new members on this committee.

It is expected that this process will likely take between 2-4 years in order to produce a workable publication for use by the GA Fellowship.

Respectfully submitted,

The Fourth Step Inventory Revision Committee
