

Conference Oversight Committee Report for May,2022 Trustee Meeting

This committee has had little activity since the last Board of Trustee meeting due to the global pandemic. There will be a bid presented at this meeting for the Fall 2023 International conference. A proposed contract has been submitted to the committee and it has been reviewed.

No other areas have contacted this committee for any upcoming conferences.

All previous and cancelled conferences have been finalized.

Respectfully submitted,

Wendy B.
Conference Chair
