

Fourth Step Inventory Revision Committee Report

Spring 2023 BOT Meeting

The mission of the Fourth Step Inventory Revision Committee is to review, revise, and rewrite the Gamblers Anonymous publication "A Guide to Fourth Step Inventory" to create a more robust and effective tool of recovery for the fellowship of Gamblers Anonymous that addresses both moral and financial inventories.

The committee meets every other week. We meet virtually and through screen sharing we can write and edit in real time. Currently the committee is nearing the conclusion of describing a process of examining when and where we have harmed others. As we conclude this section, we will begin the work of describing how members can use the information uncovered in this Moral Inventory process.

We find that our effectiveness in writing is best when we work for an hour to an hour and a half.

As we make our way through writing this process, we try to write for the member who has not practiced this step before.

We are careful to use inclusive language and to honor different life experiences.

We are open to accepting new members on this committee.

It is expected that this process will likely take between 2-4 years in order to produce a workable publication for use by the GA Fellowship.

Respectfully submitted by Renee G.
