

Fourth Step Inventory Revision Committee Report

Fall 2026 - BOT Meeting

At the 2019 Board of Trustees meeting in Louisville, the BOT authorized a committee to create a new GA 4th Step guide.

The mission statement of the committee has been to review, revise, and rewrite the Gamblers Anonymous publication "A Guide to Fourth Step Inventory" to create a more robust and effective tool of recovery for the fellowship of Gamblers Anonymous that addresses both moral and financial inventories.

At the Fall 2025 BOT meeting in Denver the agenda item to approve this new piece of GA literature passed its first vote.

At the Spring 2026 BOT meeting in Houston the motion to approve the new piece of GA literature passed its second vote.

Since that meeting in Houston, the literature draft went through a process of final editing and formatting.

After this overview and communication with ISO staff and Literature Committee, the final draft was shared with the IES, ISO Office Manager, and members of the Spanish and French Translation Committees.

Printing estimates were gathered by the ISO Office Manager, and printed samples and estimated printing costs were presented to BOR at the September BOR meeting for decisions on order and pricing.

We look forward to presenting a workshop at the Chicago Mini-Conference in October that can serve as an introduction to the new Gamblers Anonymous 4th Step Guide.

We believe this resource will be a positive part of expanding our Program's catalog of quality literature to support members in their recovery and to further strengthen the unity and purpose of our fellowship.

Thank you for everyone who shared their feedback and support over the past few years.
