

Telephone Conference Call Committee Report

Fall 2026 Trustee Meeting

Our committee currently consists of seven members who serve as meeting moderators.

We are always looking to add moderators to our committee. Any GA member who is interested is encouraged to attend at least one of our meetings then reach out to the committee through our email address weeklycallhelp@gmail.com for more information on how to join the team.

We currently host two US weekly conference call meetings. Meetings are held every Wednesday from 9 to 11 PM Eastern and Friday afternoon from 3 to 4 PM. The phone number for both meetings is 267-807-9601. The access code is 9131957#

Our Wednesday meeting averages around 40 callers, and our Friday meeting averages around 25 callers per meeting.

These meetings are not meant to replace physical meetings however they serve as an option for people with no access to physical or zoom meetings. We encourage members to seek out physical and or virtual meetings in addition to attending the conference call meetings.

Respectfully Submitted,

The Telephone Conference Call Committee
