

I understand that I was removed as chair of this committee for not supplying a monthly report.

The committee has kept in touch with an e mail thread where we listed new ideas.

We have an agenda item to create a New Donation Category.

We also have the Yellow band up for a vote.

By the time of the next Trustee Meeting we will have Guidance Code wording to allow the sale of "noveltys" by the ISO website.

I hope this report is sufficient

Richie S
Trustee
