

## **Defining the Relationship Gamblers Anonymous has with Gam-Anon September 2019 Report**

The committee met twice in the month of September to review and rewrite our report for the Montreal committee report.

Topics of discussion at both meetings:

- All areas where Gamblers Anonymous and Gam-Anon have done things together.
- Decided we need to review and talk about the need to review all Gam-Anon references that are in Gamblers Anonymous literature.
- Discussed whether combined meetings should be on the Gamblers Anonymous website.
- Talked about whether Gamblers Anonymous is breaking our Unity Steps.
- The need to put this issue to rest.
- Whether we are in violation of our Unity Steps as we do things together.
- How we should move forward.
- The majority of the committee decided on our current relationship with Gam-Anon.
- Would like to move forward and review all Gamblers Anonymous literature where Gam-Anon is mentioned.

We didn't have time to put our findings on the Montreal agenda. We will do so with an agenda item in Seattle at the Spring 2020 BOT meeting.

We stated our relationship with Gam-Anon in the Montreal Committee Report.
