

Digital Media Committee Report – 11/29/15

Our committee has not met since our last reporting.

We are working on a recording to submit at the Phoenix Conference for approval by the board.

Currently, we have only a few members remaining from our original committee and are looking for additional members. We would like to “tap” the experience of fellow members in the program with recording experience; both speaking and technical.

Paulette T. – Committee Chair

Cc: Jimmy D. – Committee Co-chair, Pete K. – Board of Trustees Chair Liaison
