

Fourth Step Inventory Revision Committee Report

April 2020

The mission of the Fourth Step Inventory Revision Committee is to review, revise, and rewrite the Gamblers Anonymous publication "A Guide to Fourth Step Inventory" to create a more robust and effective tool of recovery for the fellowship of Gamblers Anonymous that addresses both moral and financial inventories.

The committee continues to meet twice a month via telephone conference call, using a document-sharing capability that enables editing in real time. The introduction has been completed, as well as sections concerning preparing for the inventory and what the Fourth Step results can be and what the Fourth Step asks of us. Work is currently being done on the body of the guide and the inventory process itself.

We are open to accepting new members on this committee.

It is expected that this process will likely last between 2-4 years in order to produce a workable publication for use by the GA Fellowship.
