1. The committee met September 11, 2017 by telephone and was attended by four members.
2. The committee decided on material for the inside cover of the booklet
3. The committee sub-populated two headings and partially sub-populated a third heading (see previous report) with material. The balance of the third heading and the remaining two headings should be completed at the next meeting. At that point, the committee will then begin the process of adding sufficient detail to the subheadings so that we can commence writing narratives some time after the beginning of 2018.
4. It was decided to hold the next meeting on Monday, October 9 at 6pm PDT.
