The committee met on February 10, 2020 by telephone. Five members attended. Committee members are continuing to write their respective chapters of the handbook. The new plan for bringing this project to fruition is for Cheryl R and me to take everyone's work and expand/edit it into the same "voice" rather than having each committee member opine on each other's work.

Our next meeting will be on March 9, 2020.

Respectfully submitted:
