Hotline Committee Conference Call

December 17, 2016 at 9:00 pm EST

Conference call # (641) 715-3680, Access Code 1033270#

Committee member present on 11/17/16: Paul S., Brad B., Linda S., Jim S.

Paul S did introductions with committee members

Paul only received 4 responses for people to remain on the committee: Brad B., Linda S., Jim S., Chuck R.. Paul will reach out to other past members who did not respond to determine their interest in the committee.

Committee decided to meet every other Wednesday at 9 PM Eastern starting December 7th

1. Current System Status

Oklahoma City and one area in Canada are considering coming on to the system, Paul will be working with those areas to get set up and develop a user's guide. RingCentral has changed their pricing structure and increased the cost. Paul is trying to identify the best plan for new areas.

Oklahoma City would like to be added to the current Area 7C account. Paul will reach out to Kent C and see if this can be done.

2. Committee Report

Brad agreed to add the 2016 survey results to the committee report that will be presented at the Spring 2017 BOT meeting. Brad will provide all committee members a list of the comment prior to the next committee meeting for discussion.

NEXT MEETING: December 7, 2016 – 9:00 pm EST
