

July 2020

Hotline Committee Report

Our committee met this month with six members.

Hotline calls are still down.

Paul S is still working on a manual for our Hotline Program.

Discussion about if there is a way to have all areas using Ring Central to have the same renewal date. This can't be done because each area started using Ring Central at different dates.

Our next meeting will be August 19, 2020.

Jo K

Chair
