

**Intergroup Committee Report**  
**March 2017**

This committee has not been active for quite a while. As the new chairperson for this committee I hope to get things moving again. I have been in contact via email and phone to all the committee members to ask for their continuing volunteerism. Once I have heard back from all the members I will be setting up a conference call.

Jo K.

Committee Chair from Area Trustee 8-D
