

International Relations Committee Report – 11/29/15

We have had quite a bit of activity within our committee over the past month.

We have had new communication with people from the Korea, Netherlands, Chile, India, Spain and a follow-up in Egypt.

This resulted in a new starter kit sent to Egypt and it appears we may be near getting a meeting started in Chile. There have been many inquiries over the years for a meeting in Chile, but our attempts never resulted in a new meeting. Hopefully, this year will bring one.

If any additional GA members are interested in working on this committee, please contact me.

Paulette T. – Committee Chair

Cc: Andres G. – BOT Chair Liaison
