

International Relations Committee Report – 06/30/16

After our committee meeting in May, we have been working on getting all areas of our International membership. We will begin reaching out to additional areas that currently do not have Liaisons to see how we can help them.

We continue to receive inquiries from people around the world needing GA assistance.

If any additional GA members are interested in working on this committee, please contact either Frank or me.

Paulette T. – Committee Chair

Frank L. – Committee Co-Chair

Cc: Andres G. – BOT Chair Liaison
