

International Relations Committee Report – 01/31/17

Our committee has not met since the conference in San Diego; however, we are very active with at least 4-5 international requests for help each month. As reported previously, many of these are in areas where meetings are not yet established.

If any additional GA members are interested in working on this committee, please contact either Frank or me.

Paulette T. – Committee Chair

Frank L. – Committee Co-Chair

Cc: Andre G. – BOT Chair Liaison
