

The month of December was a very slow month for the Irc. I did correspond with a member in Russia about skype meetings, speaker meetings, translation of literature. I shared my experience regarding these and some similar questions. I had a member from Atlanta GA asking if I had any Vietnamese literature for a friend who was about to travel to Vietnam. I looked in my IRC boxes and found combo books. I was happy to send him one copy. And finally I talked to a member in Argentina who I have been corresponding with recently about possibly setting a phone meeting like our Wednesday , GA approved phone meeting. I explained there were many guidelines that needed to be followed and I am sure I will have to follow up and see what the progress is.

I would like to wish everyone a Happy New Year, happy new decade and have an enjoyable "roaring 20s".
