

LITERATURE COMMITTEE REPORT

For AUGUST 2017

Item #43 on the Cherry Hill agenda was a piece of new literature that passed a merit vote. This item is entitled “Working the Twelve Steps of Gamblers Anonymous”.

During the 60-day comment period, there were several suggestions from BOT members on how to improve the item. After reviewing these suggestions, the author, in conjunction with the Literature Committee, agreed on a final version which has been submitted to the Ontario agenda.
