COMMITTEE REPORT -- JUNE 2017

Our previous chair Fred L. from Area 8 has resigned in late April, after several years serving on the former Conference Review Committee and on the current Conference Oversight & Assistance committee. The committee members would like to thank Fred for his service and dedication. Chair position is currently vacant but a replacing chair has been appointed by the BOT Chair and will fill the vacancy come July 1st, 2017.

There is only one International conference being presently followed by the committee, the fall 2017 Inland Empire conference. Reports and statements are being received from the organizing committee on a timely basis.

In July, the committee will meet through a conference call to try and find ways to encourage Areas to bid for International conferences; after the Fall 2017 conference, there is no future conference already awarded. Other topics should also be covered.
