COMMITTEE REPORT – JULY 2017

In July, the committee met through a conference call. Several points were discussed. We are working on a Quick Check-List of things to do for an Area wishing to submit a bid to hold an International Conference. We are close to completing this project and should have an agenda item in Ontario CA for approval as appropriate literature to be posted on the trustee website.

We discussed resubmitting for approval our previous updating of the “Hosting an International Conference” pamphlet. This was originally put on the agenda in San Diego and was returned to the committee thru a Motion to Commit.

We also discussed follow-up of active International Conferences, additional ways to assist Areas in preparing a bid for a Conference and other topics. We will continue our work thru exchange of emails and conference calls.
