### **COMMITTEE REPORT – JANUARY 2020**

Members of our committee have been assigned to oversee and assist the Seattle Spring 2020 conference committee and the San Diego Fall 2020 conference committee. We are receiving regular monthly reports from Seattle (Area 2H), but not from San Diego yet.

Our committee has now received a final statement of Revenues and Expenses from the Montreal 2019 Fall International conference. They show a profit which will be distributed between GA ISO, Gam-Anon ISO and the local Area, in accordance with the percentages established by the Board of Trustees. Once the profit money is cashed by the different instances, Montreal will close its Bank account and send us a final bank statement, which will conclude this very successful conference. The Montreal committee has been and continues to be very helpful and cooperative and we thank them for that.

The Past Conferences Database on the trustee website has been updated with the latest information we received from Montreal. We also received requests for information from 2 different Areas who are looking at hosting a future International conference.

In the weeks to come, there will be important changes within our committee. More to come on that in our next monthly report.
