

PRESSURE RELIEF GROUP COMMITTEE  
REPORT for MONTH OF APRIL 2016

Committee Chairman:  
Steve T – Area 14

Committee Members:  
Ira C – Area 14  
Pam B – Area 2G  
Paul C – Area 14

The reconstituted Committee met this month. We have has set our sights on the following goals:

- Make necessary changes and updates to the PRGM Handbook and PRGM Pamphlet (both the paper form and on the CD).
- Set up contact lists (to be available to the membership at large) both at the Trustee level and Intergroup levels to create a network of resources for all areas with a special emphasis for those in less served areas.
- Facilitate cooperation between neighboring areas both in matters of conducting workshops to demonstrate PRGMs or to aid with specific questions within a PRGM.
- Record a demonstration video to be available on You-tube on how to conduct a PRGM. (Clearly, this is a longer term objective).

**Suggestions on how to achieve the above or other goals and volunteers to join the Committee are always welcomed.**

Kindly contact me via the email below.

Respectfully submitted,  
Steve T
