

PRESSURE RELIEF GROUP COMMITTEE REPORT  
For the Month of November 2016

Committee Chairman:  
Steve T – Area 14

Committee Members:  
Ara H – Area 1  
Fred D – Area 12  
Ira C – Area 14  
Pam B – Area 2G  
Paul C – Area 14

The Committee returned emails back to the Committee Chair and the following was noted:

- Karen replied to previously sent email that requested the email distribution of all local intergroups. There is no such list but with BOT Chair approval, the Website Administrator would be able to email all the Trustees. The purpose is to set up contact lists (to be available to the membership at large) so as to create a network of resources for all areas with a special emphasis on those in less served areas.
- Both the existing PRGM brochure and excel spreadsheet were reviewed for an agenda item to be brought forward in Cherry Hill. The item will be submitted shortly which attempts to “match” the format between the 2 to simplify the PRGM process as well as offering several upgrades to the material.
- The creation of an outline which would be further developed and serve as the basis for a power point demonstration that could be used at workshops. Topics would include a combination of themes already in the PRGM Handbook as well as the actual running of the PRGM.

The Committee will set its next meeting for early December.

**Suggestions on how to achieve the above or other goals and volunteers to join the Committee are always welcomed.**

Kindly contact me via the email below.

Respectfully submitted,  
Steve T
