

PRESSURE RELIEF GROUP COMMITTEE REPORT
For the Month of January 2017

Committee Chairman:
Steve T – Area 14

Committee Members:
Ara H – Area 1
Fred D – Area 12
Ira C – Area 14
Pam B – Area 2G
Paul C – Area 14

There was no Committee meeting in January.

A summary of activity since the last conference:

- Karen replied to previously sent email that requested the email distribution of all local intergroups. There is no such list but with BOT Chair approval, the Website Administrator would be able to email all the Trustees. The purpose is to set up contact lists (to be available to the membership at large) so as to create a network of resources for all areas with a special emphasis on those in less served areas.
- After reviewing both the existing PRGM brochure and excel spreadsheet 7 agenda items were submitted to brought forward in Cherry Hill.
- The creation of an outline which would be further developed and serve as the basis for a power point demonstration that could be used at workshops. Topics would include a combination of themes already in the PRGM Handbook as well as the actual running of the PRGM.

I have informed the BOT Chair and the Committee members of my need to step down.

I am hoping someone steps up to continue the work that has been started.

Respectfully submitted,
Steve T
