

Pressure Relief Committee Monthly Report:

September 2017 Area 17 Chair John R.

This month I have reached out at least 20 States and Canada. I am trying to get an understanding of PR is being done around the country. I am happy to report PR is considered very important in every ones recovery. Some of the states, Maryland, New York, Massachusetts, Ohio, Penn, Indiana, Calif and Oregon to mention a few. I will get a chance to meet everyone at the conference.
