February 2016

Prison Committee - Canada

Purpose

To provide, in Canada, telephone, email, and an in person resource (as feasible) to the trustees or their designees for the purpose of assisting when a prisoner or institutional staff member is requesting to start an "inside" meeting, or when an intergroup and its committee are outreaching to prisons, jails, etc. Also, to compile in the I.S.O. office an unpublished JIP meeting directory as a much needed resource for federal, state, and local judges, defense attorneys, prosecutors, probation officers and clinicians.

Last month, we reported on a request received from an inmate to start a prison meeting at the Bowden Institution, a medium security prison in Innisfail, Alberta. ISO has sent a prison starting kit and the local trustee will follow-up and let us know when the meeting is active. We have not heard anything since. We will follow-up in March.

No other activity was reported for the month.
