

# Monthly Committee Report June 2019

## Prison Committee - Canada

### Purpose

To provide, in Canada, telephone, email, and an in person resource (as feasible) to the trustees or their designees for the purpose of assisting when a prisoner or institutional staff member is requesting to start an "inside" meeting, or when an intergroup and its committee are outreaching to prisons, jails, etc. Also, to compile in the I.S.O. office an unpublished JIP meeting directory as a much needed resource for federal, state, and local judges, defense attorneys, prosecutors, probation officers and clinicians.

Since our last report in Louisville, during our committee follow-up on existing prison and institutions meetings, we were not made of a new changes.

ISO did not transfer to us any request for starting kits or for information. We need every trustee in Canada to contact the Committee and let us know of any G.A. activities in local prisons and institutions.

Any Canadian member or trustee who wants to be of service on our committee is welcome.
