### **NEWS**

Inmate Requests:

**Midway Texas** – (Male Prison) Rec'd another request from Midway this month (2 different ones last month.) This inmate's request was for "GamAnon" literature, but the tone of the letter seems to indicate HE is the gambler and may be confused about GA vs. GamAnon. ISO sent literature for GA.

*Have found a pen pal for the inmate in Midway who requested a sponsor/penpal last month. Thank you to our volunteers!*

**Ocala Florida** – (Female Prison) A female who has served 7 years of a ten-year sentence requested a female penpal and literature. ISO sent literature. A **service opportunity** is open for any female member of our fellowship wishing to connect as a penpal.
