

Public Relations Committee Report – July 2018

Current Committee Members: Harold A. – Chair, Pam B., Paul N., Steve W.

New Committee Members after Louisville BOT Meeting: Beth Z. from Area 2, Paul G. from Area 3B

Work completed, potential next meeting and moving forward:

As of the end of July I do not have a lot to report other than I am working with Prisons Committee Chair Beth Z. to come up with a joint email to go to all the Trustees and Area Public Relations and Prisons Committee chairs.

We have not finalized the content but are still on schedule to meet the July 15 date I had given last month for doing the email blast alone as Public Relations only.

My plan is to query the committee for a date and time prior to July 15 to have a conference call, after Beth and I agree on the joint content, so the committee will have an opportunity for input before it is sent out

The idea remains to supplement and/or correct the list from the Public Relations Survey originally sent out last October, in an effort to get the various Area contact information and the domain of their web site if they have one.

Follow-ups to responses for details will be done by Committee members that are willing to do it.

As a result of my calling in to a Prisons Committee conference call it led to finding out that Public Relations is strong in Area 8 (Chicagoland Metro) and we have two contacts, members Brian B. and Brian M. for Public Relations and the gachicago.org web site as well.

More details will be forthcoming in the July report as we get close to Montreal

Thank you for allowing me to be of service. ODAAT.

Respectfully submitted,

Harold A.
Area 2 Trustee
Chair: Public Relations Committee
