

Public Relations Committee Report – October – 2020

Current Committee Members: Harold A. – Chair, Pam B., Paul N., Steve W., Tom R., Beth Z. Paul G. from Area 3B

Work completed, potential next meeting and moving forward:

With things in such flux with not knowing what is what with rooms there isn't a lot that can be done with respect to Public Relations other than to tell the sisters and brothers that have contacted me to keep doing the same things as we have been doing in trying to get local media to help us to attract members.

I said this at the Board of Trustees Teleconference Meeting and also said that if the vote to approve video/virtual meetings passes the vote that concludes on 11/4 it will give our PR Committee the "meat and potatoes" we need to get the word out about approved meetings.

Because I felt this was the single most important thing with which we have been faced in my 24 years and 3 ½ months I have been an abstaining member of Gamblers Anonymous, I volunteered for the Video/Virtual Meeting Committee formed at the BOT Meeting and acted as the Secretary and Timekeeper for the committee meeting we held right after the BOT Meeting to draft the Temporary Guidelines the Trustees are currently voting on.

One thing I am going to embark on and I believe is important information relative to Public Relations is finding out how many members and meetings we have worldwide. Mike R. asked me if I knew how many members we had and I did not have an answer. Once the voting concludes on 11/4 I'm going to start with Karen H. and see if we can come up with an answer.

Stay Safe and Smart and hope to see everyone in San Diego. Thank you for allowing me to be of service.

Respectfully submitted,

Harold A.
Area 2 Trustee
