

## **Spanish Literature Committee Activities Report**

**June 27, 2017**

Since the last trustee meeting, our committee has been holding back on project work until we can either get co-operation from the Spain RSO or figure out an alternate strategy. Julian F., the committee Chair is planning a face to face meeting at our Ontario, California Internaional Fall Conference with Juan B who is one of the two Area 21 trustees working closely with the Spain RSO. We are still planning to hold a video conference before the Ontario Conference with trustees from Spanish speaking Areas to educate them on the mission and work of our committee with the goal of getting their support and the support of other RSO's and Intergroups in the Spanish Speaking Areas worldwide.

**Mission Statement for our Spanish Literature Committee:** "To unify the literature translation efforts with all the Spanish speaking areas in our G.A. fellowship that are authorized to translate and print G.A. approved literature such that all areas that use the same language will coordinate a revision of existing translated literature that meets all area requirements."

Respectfully Submitted,

Julian F.

Committee Chair
