

Spanish Literature Committee Report

September 30, 2020

Not much new to report this month. A new GA member who lives near Sacramento, California wants to join our Spanish Literature Committee.

We have added two new members from Argentina to our committee. Our Spanish Literature Committee is updating the Guidance Code in Spanish which is currently at the trustee website to match the current English Guidance Code at the trustee website that is current as of the Montreal trustee meeting in the fall of 2019. We are still putting the finishing touch on the updated Spanish version. I will deliver a new Spanish GA Guidance Code to the trustee website administrator in the month of October, 2020.

We are currently updating the Spanish Combo Book last revised in April of 2016, using the English Combo Book as the gold reference which was last revised and printed in June of 2020.

A meeting using the audio/video ZOOM application for members of our committee from the USA, SPAIN, ARGENTINA, and MEXICO has been pushed to October, 2020.

Respectfully Submitted,

Julian F.

Committee Chair
