

**Spanish Literature Committee Report**

**February 28, 2021**

We plan to schedule a ZOOM meeting in March 2021 with members of our committee from the USA, SPAIN, ARGENTINA, MEXICO and any other Spanish speaking areas that want to participate.

The BOT approved “Temporary Guide for Video Online Meetings” like the ones on the ZOOM platform, was translated into Spanish and shared with several Spanish Speaking GA Areas.

The updated Spanish GA Combo Book which was updated in December 2020, will replace the version printed on April 2016 as soon as the existing inventory level at ISO is depleted.

Respectfully Submitted,

Julian F.
