

## **Spanish Literature Committee Report**

**May 31, 2022**

Our Spanish Literature Committee Co-Chair and Chair met in a ZOOM meeting with reps from the regional service offices of Argentina, Mexico, Spain and Colombia a few weeks ago. We plan to hold this meeting again every 3 months. We also held our first Committee ZOOM meeting with all members of our committee today with good results to discuss our new work plan and the most recent Spanish COMBO book updates. We will be meeting every month at a minimum.

Respectfully Submitted,

Julian F.

Committee Chair
