

Spanish Literature Committee Report

July 31, 2022

Our Spanish Literature Committee completed the latest revision of the GA Spanish Combo Book and released it to ISO. The current inventory of Spanish Combo Books at ISO is very low and the ISO will be printing and selling this updated Spanish Combo Book very soon. The revision date is 07/2022. It includes the most recent, approved GA change which adds the title "Combo Book/Libro Combo" on the front page between "GAMBLERS ANONYMOUS and the Serenity Prayer".

We are using a group WhatsApp for our members to communicate meeting times and brief team messages more effectively. We established ground rules for communications with this WhatsApp group to make sure it is only used for the purpose of work questions and other info involving our Spanish Literature Committee. We have also been using ZOOM meetings to meet with members of our committee successfully. In addition, we already met in a ZOOM meeting successfully with representatives of the Regional Service Offices in the Hispanic GA Areas. We plan to continue monthly ZOOM meetings with members of our committee and every 3 months with members of the Hispanic Regional Service Offices. We are also planning to start monthly ZOOM meetings with the trustees of the Spanish Speaking GA Areas in August of 2022.

Our next project is the updating of the GA approved booklet "Towards the 90 Days" to be completed in the month of August, 2022.

We are scheduling ZOOM meetings in the month of August, 2022 as follows:

- 1) ZOOM Meeting with members of our Committee on August 24, 2022
- 2) ZOOM Meeting with Trustees of the GA Spanish Speaking Areas on August 17, 2022
- 3) ZOOM Meeting with representatives of the Hispanic Regional Service Offices on August 10, 2022.

Respectfully Submitted,

Julian F.
