

TELEPHONE CONFERENCE CALL COMMITTEE
REPORT for MONTH OF JANUARY 2016

Committee Chairman:

Steve T – Area 14

Committee Members:

David M – Area 12

Gerry D – Area 12

Jeanne B – Area 8A

Pete K – Area 13B

Wendy J W – Area 8A

Unique call-ins have still held at an average of 70 per week. The Committee has meetings to recap the weekly call each week while continually looking for ways to improve.

The meeting maintains all volunteer lists of members both needing and willing to provide help between “meetings”. The list is being refreshed to validate its accuracy.

A posting was prepared for the February Trustee Line again reaching out in an effort to find administrators to start another call. This resource must be expanded to more utilize its potential.

Respectfully submitted,
Steve T
