

Video Meeting Format Committee Report April 2016

There were expectations for the committee to meet on 4/25, and be consistent with the monthly meeting that have been held every month.

Due to scheduling conflicts, that was not possible for this month.

The expectations were to begin the distillation process for a written meeting format. Second on the list of items to be covered during the April meeting was to begin the formation of the opening preamble for the website that will hold the Video of the Meeting format, once Board of Trustees approval is received.

There will not be a committee meeting during May and committee meetings will resume in June.

The committee currently consists of 5 members, which was 10 when we left Cancun last Fall. We are looking for other members to be part of the committee.
