

Trustee Website Committee Report November 2015

In the time since the end of the Cancun Conference, the Trustee website has been converted over to information relative to the Phoenix Spring 2016 Conference.

Items that have been reset:

- 1 – Rolling agenda
- 2 – Conference information
- 3 – Trustee Poll

The Rules and Procedures, Guidance Code and By-Laws will be amended over the next few months where necessary, as per the changes that came about from the Cancun meeting.

Board of Trustees committees have been added, deleted and modified, as per the changes that came about from the Cancun meeting.

The website committee has recently been made aware of a new version of a local area's GA website that is not fully in compliance with Board of Trustees Local Area Website Guidelines. The committee expects complete cooperation from the members who are responsible for content and updates from that area.

If any area is concerned about its own area's website compliance, please contact the Trustee Website Committee. The committee stands ready to aid any area in fulfilling the requirements for compliance.

Underutilized features:

- 1 - International Areas Segment and its 6 individual area segments
- 2 – Trustee Line
- 3 – Trustee Poll
- 4 – Local Area Questions & Answers

The Phoenix Trustee agenda closes in less than 4 months, on 3/18/16. Please consider submitting your agenda items early.
