

Trustee Website Committee

This committee has updated the site from Orlando. The official minutes are now available for download.

If you have changes that need to be made to committee pages, please contact the Website Administrator.

The Trustee line was very active again this month, which is a great use of this important tool. Check the archive for a pdf copy to read.

Keep an eye out once the Agenda is closed, an absentee ballot will be posted for those unable to make it to Louisville.

Mike R.

Trustee Website Committee Chair
